EIGHT

Design our  
clothes

# We need YOUR help

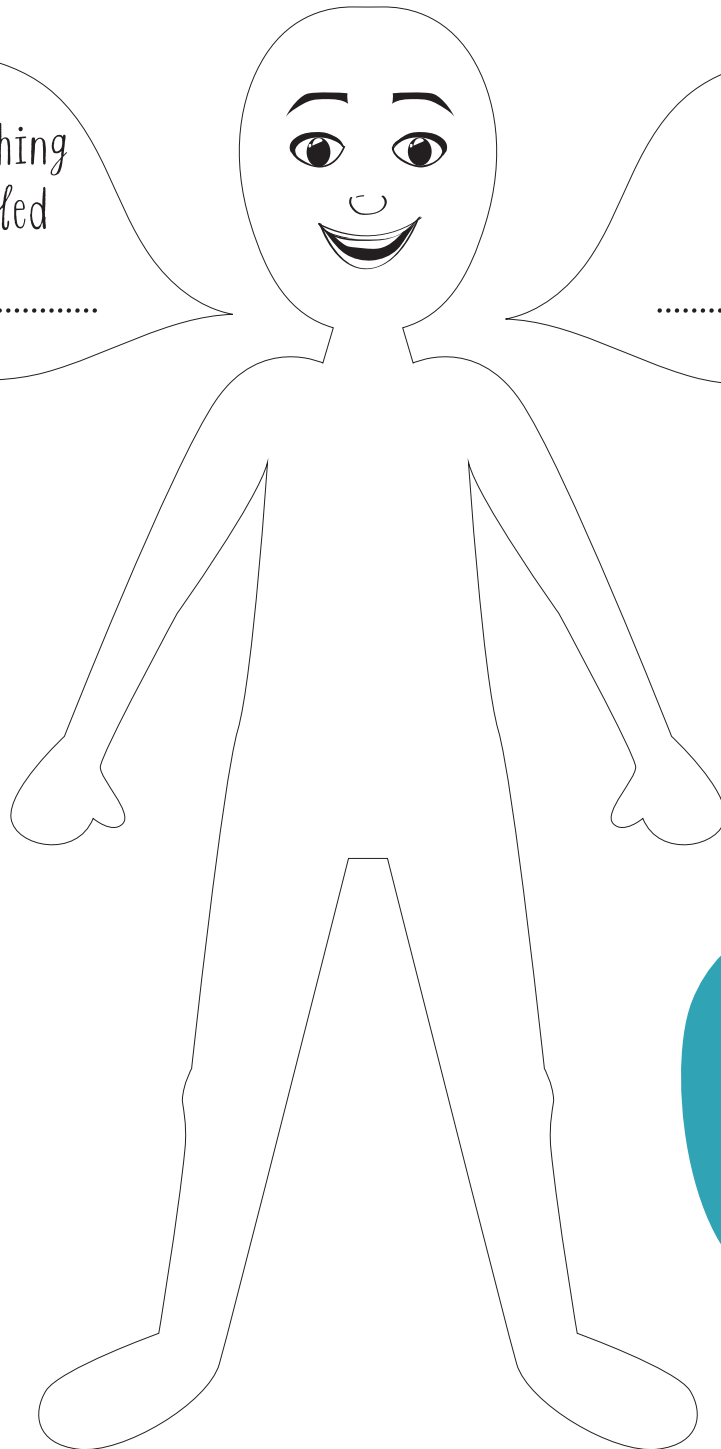

Uh oh. We accidentally drew our latest Mini prints in disappearing ink. Can you help us design some new outfits?

This new clothing range is called

.....

It was designed by

# Instructions

Colour in the clothes with patterns, prints, plains or whatever you fancy. Cut them out and experiment with different outfits on the stick figure.

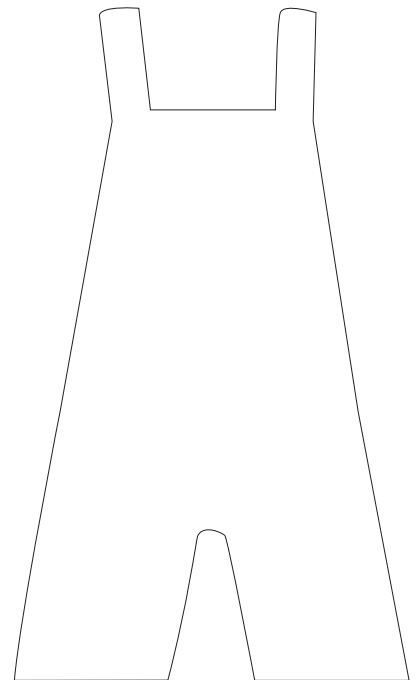

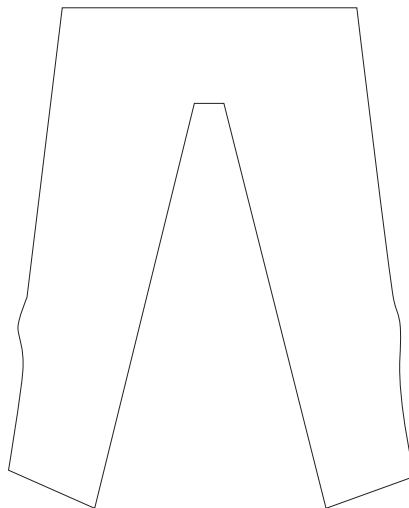

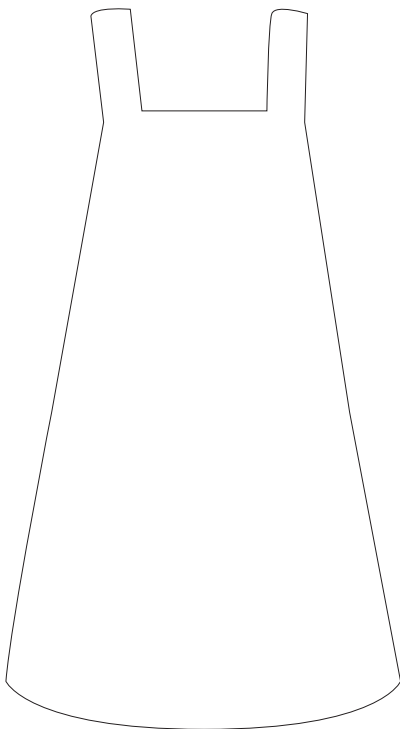

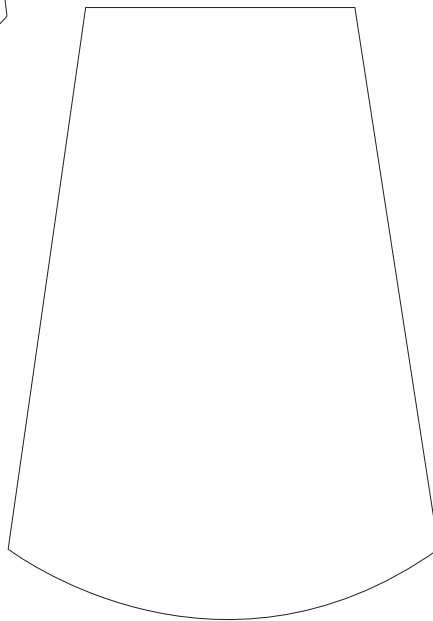

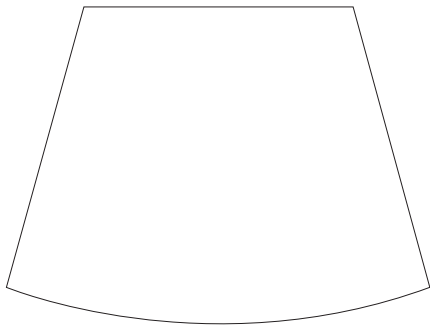

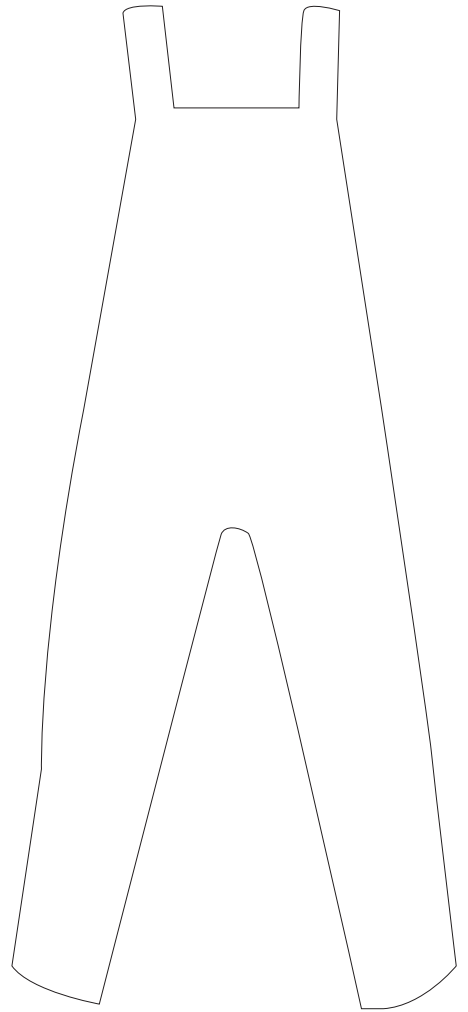

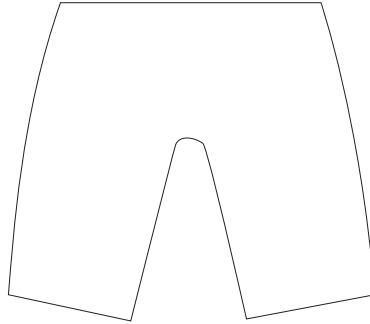

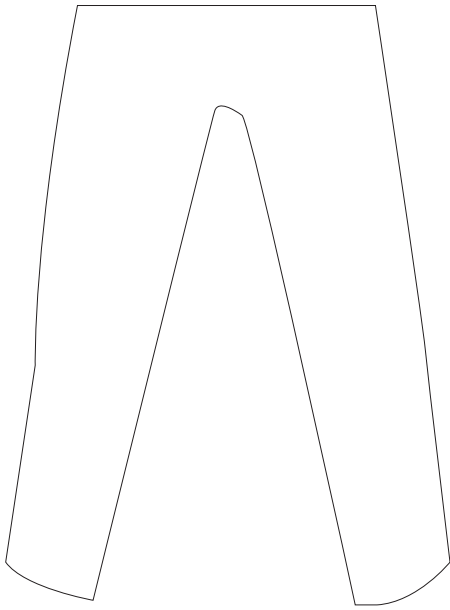

Add this jacket if the stick figure gets cold.

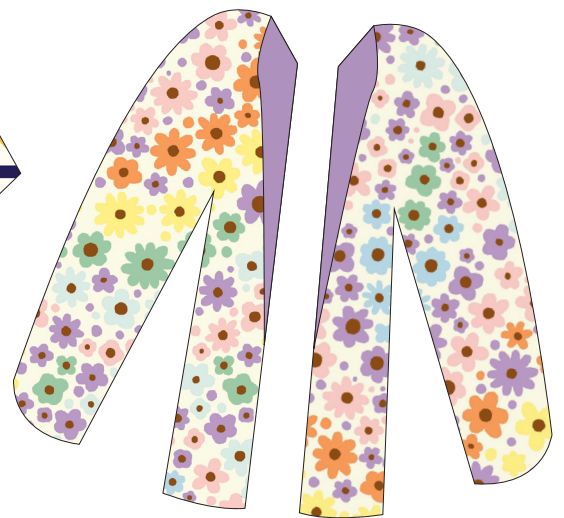

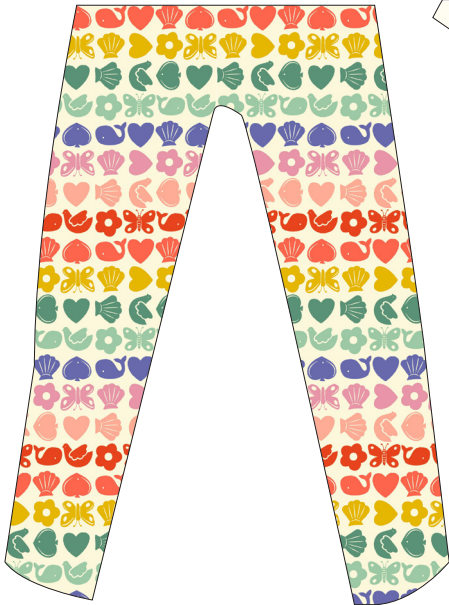

Psst... need some ideas to get you started?  
We've added some ready-made designs too.

How about some  
dungarees?

These are  
some of our  
(non-disappearing)  
designs to cut  
out and use for  
inspiration.

## Set the scene

Where would you wear your new clothing range? The beach? The park? The moon? Add these props or draw your own.
